

Tea  
Culture  
— OF THE —  
World

## Tea Culture Of The World established in 2010

A venture that makes exquisite & healthy tea variants available

First brand to introduce such teas in the Indian market

We believe freshness is the key to creating an exceptional experience

## Our Tea Selection

Tea Culture of the World is a contemporary tea brand that brings the finest whole leaf teas & exotic blends from India & around the world to your teacup.

CORPORATE

A photograph of a tea plantation with lush green leaves and stems. The background is a warm, golden-orange glow, suggesting a sunrise or sunset. The word "HOSPITALITY" is written in large, white, bold, sans-serif capital letters across the center of the image.
